Curbside recycling is coming!!!

As part of my Administrations ongoing efforts to ensure we provide efficient services without incurring additional tax burdens I am very pleased to announce that as of October 1, 2009 Lincoln Park residents can enjoy curbside recycling pickup.

Citizens have asked me time and again how to have an impact on lowering government costs. This plan allows every resident in town to have an impact on what we spend in solid waste disposal. By diverting the recyclable items out of the waste flow and into recycling YOU have a direct impact on YOUR tax dollars. We aim to reduce what we spend in solid waste disposal costs by a significant amount by reducing the weight of what we dispose.

How does it work? The Borough will pickup curbside two times a month mixed recyclables (cans, plastic, glass in one bin, newspapers, junk mail, cardboard in another). We will do this one the first garbage day of your route two times per month, please keep an eye out for the exact schedule which will come out in September.

In addition the Borough will provide each household two recycling plastic bins to provide everyone a jump-start. Not only does this give everyone a direct stake in reducing municipal costs it is the right thing to do environmentally.

The full plan will be coming in an email through the newsgroup, will be posted on the Boroughs website (www.lincolnpark.org) and posted on Channel 77.

Police News

Submitted by: Chief Sean Canning

I hope as of this writing that the summer is a safe and pleasant one for our readers.

We are pleased to announce one of LPPD's members has come back safe and sound from a yearlong deployment to Iraq as part of the New Jersey Army National Guard. William Morere returned to duty on July 6, 2009 and we are glad to have him back.

If any groups such as the boy scouts or girls scouts would like to arrange a tour we would be happy to help out. Please contact Sgt. Michael Runfeldt at 973-694-5533.

The community policing officers will be running the Junior Police Academy during the first two full weeks of August. In the past it has proven to be a wonderful week, the students have reported how much they enjoyed it as well as the officers involved. Due to our size of the classes we have initiated two sessions this year.

In addition for adults, a citizens police academy will be run in the fall. This has proven to be well received in the past. It is very informative and I have encouraged persons who have numerous questions about American policing tactics and standards to attend. The sessions are a terrific forum to explore legal and practical reasons why LPPD and to a larger extent policing in America conducts their operations in the manner that we do and what guides these methods.

In addition, we conduct child safety seat checks for safe installation, please visit our website to make an appointment.

As always, your ideas are welcome. Feel free to contact the officers or myself with concerns you may have and help keep Lincoln Park the safe community we all strive for. Thank you.

Weekly Services: Sunday Worship 10:00

am: Our Sunday morning worship is a time for the entire family to come to church and be ministered to. There is a complete children's church program for infants thru 12 years of age. These programs are designed to make attending church both fun and educational for children while also allowing the parents the freedom to enjoy worshipping without any distractions. Our Sunday service consists of lively and inspirational music and the dynamic preaching of God's Holy Word, the Bible. There is also prayer for the sick and the belief that God is still able to do wonderful and miraculous things for his children today. Warning: these services have been known to change people's lives. You may leave them filled with the power of God, his unspeakable joy, a renewed sense of hope & faith, a better marriage, and a smile on your face. People may not recognize you.

Wednesday Bible Study 7:30 pm:

Our mid-week Bible study is a chance to learn and to ask questions about the word of God in a casual and informal setting. Coffee is available in this classroom setting. Detailed studies of biblical themes along with practical topics such as: marriages, the family, finances and dealing with emotional hurts are just some of the subjects that we openly discuss. There is a complete children's church program for infant thru 12 years of age every Wednesday.

The Bible is the most purchased book of all time; it is also the most unread book of all time. Most people claim to believe in the Bible yet have no idea what it says. Are your spiritual beliefs in line with the scriptures?
