

Mayor's Message December 2008

The holiday season is a time for good cheer and festivity. As you celebrate the holiday of your faith or choosing, I wish you much joy and prosperity. During this season, I hope that we can all be a little more tolerant and understanding of our dissimilarities, whether they are of race, religion or any of the many other wonderful differences that make us the unique individuals we are within our community. My family and I celebrate Christmas, so to all of you I wish you a Merry Christmas and a New Year of health, wealth and happiness.
