

Mayor's Message November 2009

The Thanksgiving Holiday is once again upon us. George Washington suggested the date November 26 as Thanksgiving Day and then in 1863, at the end of the long civil war, Abraham Lincoln asked all Americans to set aside the last Thursday in November as a day of thanksgiving.

Take a moment during this season to think of the people and things around you that you are thankful for. More importantly, don't let the day pass without saying or showing your appreciation in some way.

Thank you for giving me the opportunity to represent and serve you. It is something that I truly enjoy doing and I make every effort to do well. I must thank everyone in borough hall and employed in town for their dedication to making sure that Lincoln Park is the great community it is. I would also like to thank my wife, Andrea and my daughters Brielle and Camryn for their love, support and understanding of the time and effort it takes to do this job.

On behalf of myself, the members of our Borough Council and everyone in the Borough of Lincoln Park, I would like to wish you all a very happy, healthy and safe Thanksgiving!
