

Join us for a Brown-Bag Check Up!

Bring your prescriptions, over the counter medications, vitamins and supplements to one of our Brown-Bag Check-Ups:

For your safety, come to a "brown-bag check-up" with a Morristown Medical Center pharmacist. Some of your medications may be prescribed by different physicians, you may be taking supplements or even the time of day medications are taken can lead to drug interactions, reduced effectiveness or other issues. A "brown-bag check-up" can identify medicine errors and misunderstandings that would otherwise be overlooked.
