

**I. CALL TO ORDER:**

**II. PLEDGE OF ALLEGIANCE:**

A Regular Meeting of the Governing Body of the Borough of Lincoln Park was held in the Council Chambers of the Municipal Building, 34 Chapel Hill Road, Lincoln Park, New Jersey on, April 17, 2023. The Clerk Called the Meeting to Order at 7:30 PM and made the Statement of Compliance with the Open Public Meetings Act. The Clerk advised those present where the exits to the room were and to turn off all cell phones. After the Pledge of Allegiance, the Clerk called the Roll showing the following:

**III. ROLL CALL:**

PRESENT: Council Members: Patrick Antonetti  
Gary Gemian  
Joseph Gurkovich  
Dan Moeller  
Ellen Ross  
Ann Thompson  
Andrew Seise

ABSENT: None

Also, PRESENT were Mayor Runfeldt, Perry Mayers - Borough Administrator, Fabiana Mello - CFO, and Chris DiLorenzo - Borough Attorney.

**IV. PRESENTATION – LINCOLN PARK LIBRARY – UPDATE**

Wayne Odenbrett, Trustee President, gave an update on the construction at the library. He spoke about dinosaur artifacts and local contractor, Wayne Winterberg, building custom displays. He spoke about American artifacts and said that several residents have collections they may want to display. He spoke about the Lincoln Park Museum. He spoke about participation from the Town Administration regarding tree removal and moving the road on the north side to add parking. He spoke about challenges with the state funding. He thanked all the trustees for their hard work. Janet Long, Pat Lucasko, Mike Meyer, and Denise D’Antono. In addition, he said that we have recruited some great new Trustees since last year. Frank Scangarella and Linda Finelli have also joined the team. Special thanks to Councilman Joseph Gurkovich.

Sara Tomasheski, Director, spoke about continued fall service to Lincoln Park through the pandemic and construction. Statistics, staffing, hours, partnership with schools, scouts, etc. She spoke about improved features, services, and programs at the new library when complete. Study rooms, self-directed programs, outdoor program space, Lincoln Park contribution of the friend of the library, planning reception, and fundraising activities.

Councilman Gurkovich said that he would like to add something to the library report. The former library director Stephanie Flood began the process for the library expansion a few years ago, but left for another position, before the plans were completed and construction started. Sara took over to manage the hardest parts, working with the architect, picking out new furniture needed to be ordered and setting up the temporary library here in the community room. Once the construction contract was granted, Sara worked with the Contractor on a daily basis, and also managed the State matching funds disbursement process, and you can imagine what working with State Bureaucracy must be like. It has been a long process, and while Sara has had help from her staff, Wayne, the other Library Trustees, and Perry Mayers, Sara has been acting way beyond the call of duty for the normal roll of a library director.

I have some solutions that are portable, that can recognize guns, weapons, license plates, vehicles, facial recognition, etc. These are portable units that run on solar. It would be a great addition for example, Lincoln Park Day. Police cannot be everywhere. It is a portable sign. It has a camera system that runs on 5G
